

Demonstration Garden Spring Schedule

Join us each Saturday from 9 a.m. – 10 a.m.

Check the weather before coming!

Saturday April 2, 2022

Peas, carrots, and spinach – What you need to know about planting peas, carrots and spinach in West Virginia. Take home a few seeds so you too can grow a garden at home.

Saturday April 9, 2022

Strawberries, turnips, and beets – We are growing six different varieties of strawberries this year so let's talk about how they are doing and when we can expect our first fruits. Join us as we plant turnips and beets together. Take home a few seeds to plant in your own garden.

Saturday April 16, 2022

Let's plant potatoes. Which varieties should I plant? Join us as we plant a few potatoes and talk about various ways you can plant them at home too.

Saturday April 23, 2022

Collards, mustards, chard and kale – today we will be transplanting a few healthy greens. Any extra plants can go home with our visitors today.

Saturday April 30, 2022

Today we will look again at our strawberry crop, raspberries and blackberries. Do we need to thin or prune any of our fruits? We will learn how to propagate brambles and how to do spring clean up in preparation for our fruit harvests.
